ECONOMIC EMPOWERMENT & DISASTER RELIEF

THE MEDICAL CENTRE

The clinic is just a 10 minute walk away from the Shrine of Imam Ali (AS). It is in the heart of the Willaiah Imam Ali neighborhood where many Hawza students and their families live.

Patients pay \$1.25 USD to register for the clinic and then £7-10 per patient service. The clinic is open 3 days a week, serving between 600 and 750 patients. However, if the patient cannot afford to cover their fees due to complete poverty, the hospital will provide them with the consultation without cost.

The clinic has two doctors, which provide medical consultations to around 50 patients a day as well phone consultation service. The clinic provides free tests as prescribed by the doctors. including:

- CBC
- Urine analysis
- ESR
- CRP
- RH.F
- Pregnancy Tests
- Hepatitis B and C Tests
- R.B.S
- Hpylori

The clinic has an onsite pharmacy where free medicine is provided to patients if needed.

NEED

Al Asr Charitable Clinic provides medical services to those in need, 90% of its patients are students of Islamic science (*Talabatuilm*), who have left their own countries to study in the Najaf Hawza.

These students are often poor and have minimal income. Therefore, they can not afford to go to hospitals or private clinics. The problem has been exasperated by the Covid-19 pandemic and worsening economic situation in the student's home countries.
