KSI Charitable Eye Centre

Salam Alaikum,

WF-AID extends our heartfelt gratitude to The Mohsin & Fauzia Jaffer Foundation for your generous contribution of **USD \$95,000** towards the KSI Charitable Eye Centre in Temeke, Tanzania. Your support has played a vital role in transforming lives by providing essential eye care to vulnerable individuals who would otherwise lack access to optical treatment.

KSI Charitable Eye Centre has been a transformative force in Tanzania, providing vital eye care through numerous free eye camps. Each year, they deliver critical services over **20,000 patients**, building on a legacy of compassion and dedication. In June 2021, this commitment took a monumental step forward with the establishment of a permanent facility in Temeke, Dar es Salaam.

Founded by a devoted group determined to make a significant impact, the centre has evolved into a symbol of exceptional eye care. Patients from all walks of life come to experience their top-tier optical treatments, bearing witness to the centre's incredible growth and achievements. The dedicated team now working tirelessly to drive the success of this organisation is comprised of 3 ophthalmologists, 4 optometrists, 8 nurses and 1 pharmacist.

As KSI Charitable Eye Centre continues to forge ahead, their partnership with WF-AID stands as a pillar of strength, promising even greater accomplishments in the future.

As of Q4 2024, **USD \$81,132.75** of your donation has been utilised to procure much-needed surgical equipment over the period 2021–2024. This equipment has significantly improved the centre's capacity to perform critical eye surgeries. With a remaining Balance of **USD \$13,867.25**.

Milestones & Successes

Over the past few years, the number of patients seeking KSI Charitable Eye Centre (KSI) optical services has dramatically increased, reflecting a growing need and a deep trust in the care.

In 2022, KSI treated **21,739 patients**. This number soared to **37,073 in 2023**. In **2024**, treated **47,556 patients**. The surgical interventions have similarly increased, with **873** surgeries performed in **2022**, **1,943 in 2023**, and **2,240 in 2024**. These numbers signify not only the rising demand for eye care but also the ability to meet these needs effectively. Most beneficiaries come from poor backgrounds, where KSI assists with subsidising funding for treatment.

However, there is still much work to be done. Many individuals are in urgent need of treatments for conditions such as cataracts and glaucoma. Your generous support has helped continue KSI's services, ensuring that no one in need of eye care is left untreated.

To continue providing essential care and expanding their services, the centre requires support in several key areas:

- **Running Costs:** Funding is needed to cover operational expenses, including salaries for ophthalmologists and other essential staff.
- **Surgical Costs:** Financial assistance is crucial to support the increased number of surgeries required to address the rising demand.

Financial Breakdown

Item	Description	Cost (USD \$)

Total		\$81,132.75

THANK YOU!

On behalf of WF-AID, we extend our sincere gratitude to The Mohsin & Fauia Jaffer Foundation for your generosity, which plays a pivotal role in expanding KSI Charitable Eye Centre's initiatives. These contributions have been instrumental in transforming lives and uplifting communities by ensuring access to essential optical services.

Through your support, critical treatments, optical equipment, and enhanced facilities have been made available to vulnerable individuals and families.

Your contributions have facilitated the provision of life-saving surgeries and the development of improved infrastructure, ensuring that patients receive the care they need to recover and lead healthier lives.

These efforts have created a lasting impact, leading to improved health outcomes and sustainable well-being for those most in need.

Together, we are making a tangible difference - one patient at a time.

**It is narrated that Imam Ja'far Sadiq (A.S.)
said: "An act of charity given openly
prevents seventy types of mishaps, and a
secretly given charity cools the anger of
our Lord Allah (S.W.T.)"**
