INTRODUCTION

During the Holy month of Ramadhan, vulnerable families face even greater challenges of hunger. Through your support, **WF-AID** has reached **25** countries, delivering assistance across Pakistan, India, the rest of Asia, the Middle East, Africa, the Caribbean, and Europe. Every donation has directly improved the health and overall well-being throughout Ramadan.

MISSION & VISION

At **WF and WF-AID**, we are driven by a mission to uplift communities through sustainable humanitarian aid, poverty alleviation, and social development.

Our work is deeply rooted in the Islamic values of service and compassion, guiding every initiative we undertake. This report details a specific project that embodies our commitment to making a lasting difference in the lives of those most in need.

Our efforts focus on providing vital resources—food, clean water, shelter, sanitation, education, and healthcare—through strategic and effective programs.

With Special Consultative Status at the **UN's ECOSOC**, we take great pride in ensuring that every donation is used efficiently and transparently to deliver meaningful change.

By partnering with local organizations and communities, we empower individuals and families to break free from the cycle of poverty. Since our establishment as a dedicated humanitarian brand in **2016**, we have worked to deliver life-changing support to vulnerable populations, and this project is a continuation of that mission.

RAMADHAN RELIEF

As part of our aim to make Ramadhan a month full of blessings for all, we allocate specific funds to support the following categories across **25 countries**:

Food Packs & Cash Gifts: Provide families with essential supplies for Iftar and Suhoor, ensuring they can observe Ramadan without the burden of food insecurity.

Community Meals: Bring people together over Iftar or Suhoor, offering nourishing shared meals to strengthen community bonds.

Eid Gifts: To children from vulnerable families. These gifts aim to bring joy to celebrate the spirit of Eid.

Fidya, Fitrah & Kaffarah: This distribution is to assist vulnerable families. **Fitrah** is a mandatory charity given at the end of Ramadan, **Fidya** compensates for missed fasts by those unable to fast, and **Kaffarah** is provided as atonement for certain missed obligations.
